

NEWS ANNOUNCEMENT

FOR IMMEDIATE RELEASE

Vancouver, British Columbia, Canada.....

February 1, 2004

Napier Environmental Technologies Inc. "Napier" is pleased to announce the appointment of Ms. Janice Comeau, as Chief Financial Officer, effective immediately. To ensure a smooth transition Mr. Jim Grinnell has agreed to remain with Napier for an interim period to assist Janice in her new role.

On behalf of the Company and our Board of Directors I want to take this opportunity to acknowledge and thank Jim Grinnell for his years of hard work and dedicated service to the Company.

Janice Comeau, a financial management specialist with over 20 years experience, has consulted to Napier on financial matters for the last several months and during that period developed a good appreciation for the Company and its' needs going forward. Prior to joining Napier, Janice has held several senior financial roles including Corporate Controller for the Bentall Corporation and Chief Financial Officer of the Versacold Corporation, both headquartered in Vancouver, BC. A chartered accountant and active in the community and volunteer sector, Janice has served as President of the Vancouver Chapter of Financial Executives Institute, on several professional committees for the Institute of Chartered Accountants of BC, and as a Board member for Junior Achievement. Janice holds a Bachelor of Commerce degree, with distinction, from the University of Alberta, Canada.

Frank Dixon, President and CEO reports, " I am very pleased that Janice has joined Napier. Her counsel and experience was invaluable in completing our latest financing. I look forward to her ongoing participation as an Officer of the Company and a key member of our management team. I also want to again thank Jim Grinnell for his advice and tireless efforts during my first year and wish him and his family the very best in the future."

Forward Looking Statements:

This release and referenced materials contain forward looking statements that are subject to a number of known and unknown risks, uncertainties and other factors that may cause actual results to differ materially from those anticipated in our forward looking statements. Factors that could cause actual results to differ materially include: rapid technological and/or market changes in the industry; the ability to maintain and grow successful third party and customer relationships, to improve current products and develop new products, to adequately protect the company's proprietary rights and other factors described in the company's regulatory filings. Although we believe the expectations reflected in our forward looking statements are reasonable, individual results may vary, and we cannot guarantee future results, levels of activity, performance or achievements.
