## STRATEGIC 'GREEN' ACQUISITION CLOSING DELAYED

**VANCOUVER March 30, 2007** - Napier Environmental Technologies Inc. (NIR - TSX) reports that it has agreed to extend the closing date with respect to the letter of intent entered into on February 15, 2007 to acquire Perfectly Natural Solutions Inc. ("PN") of Vaudreuil, Quebec, and Perfectly Natural Solutions U.S., Inc. ("PN US") of Pittsburgh, Pennsylvania whereby PN and PN US will become wholly-owned subsidiaries of Napier.

The extension is to enable both parties sufficient time to complete their due diligence, completion of a US\$1.95 million financing by PN US, execution of definitive agreements and receipt of all regulatory approvals and third party consents, including acceptance by the Toronto Stock Exchange. The acquisitions are now expected to close prior to the end of the second quarter of 2007.

### About Perfectly Natural

PN and PN US are related companies with common management and business focus. Their business is the manufacture and distribution of natural alternatives to products and technologies that are harmful to the environment and human health, under the Perfectly Natural brand. Their focus is on lawn and garden products as well as household cleaning products and they currently supply several big box and independent retailers in Canada and the United States.

### About Napier

Napier is a Canadian company primarily engaged in the development, manufacture and distribution of a wide range of products utilizing environmentally advanced technology. The product lines include coating removal and wood restoration products for both the industrial/commercial market and the consumer/retail market. Upon completing this acquisition, Napier will have extended its product line by utilizing environmentally sound technology in the lawn and garden and household cleaning industries.
